MEMORANDUM FOR: Assistant Director of Training for Curriculum
Chief, Management/Administrative Training Division
Chief, Intelligence Training Division

STAT FROM:

[REDACTED]
Director of Training and Education

SUBJECT: Keith Hall

Keith Hall, who is currently a senior staff member of the Senate Select Committee on Intelligence, has expressed to me his continuing interest in participating as a speaker in OTE courses. Keith was formerly the CIA Examiner for OMB and, while serving in that capacity, frequently spoke to our mid-career courses on the subject of "budget processes." He does a good job on this subject, and I would like to see him utilized where it is appropriate. I would appreciate specific proposals for such use from each of you by close of business 10 April.
